President C. C. Creelman,

Ontario Agricultural College,

Guelph, Ont.

Dear President Creelman:

In the absence of President Falconer I would advise you to write direct to General M. Watkin, Chief of Staff, Department of Militia, Ottawa, regarding the procuring of a man for the Massachusetts Agricultural College at Amherst. Many similar requests have come from American Colleges and all have been referred to General Watkin, as the President has been in communication with him about the matter.

Mr. Prather has a list of discharged men who are willing to go to American Colleges, but as he is away and I am unable to give you anything definite regarding his list.

Yours very truly,

President's Secretary.

PRESIDENT.

ONTARIO AGRICULTURAL COLLEGE

Guelph, Canada, November 27th, 1917.

Dr. Falconer,
Toronto University,
Toronto, Ont.

Dear Sir,-

I understand that the University students who were excused in February to go into uniform have on returning found it necessary to take the year over again in order to qualify for upper class work.

Do you not think, therefore, that we should require students from now on to complete their full college term before leaving college ?

Yours very truly,

G C Creelman

I am,

Yours sincerely,
